

SCHOOLMESSENGER

Please update your contact information for our school wide communication tool. When the school issues announcements to the entire district, the number you provide will be the number in which you will receive this message.

Messages can be sent in a voice message, text message, or email. Please provide the most current information to insure that you receive all messages.

If you have a change in contact information throughout the school year, please forward those changes to the school so updates may be made.
